

“Revealing the history of the universe with underground particle and nuclear research”

FY 2014-2018

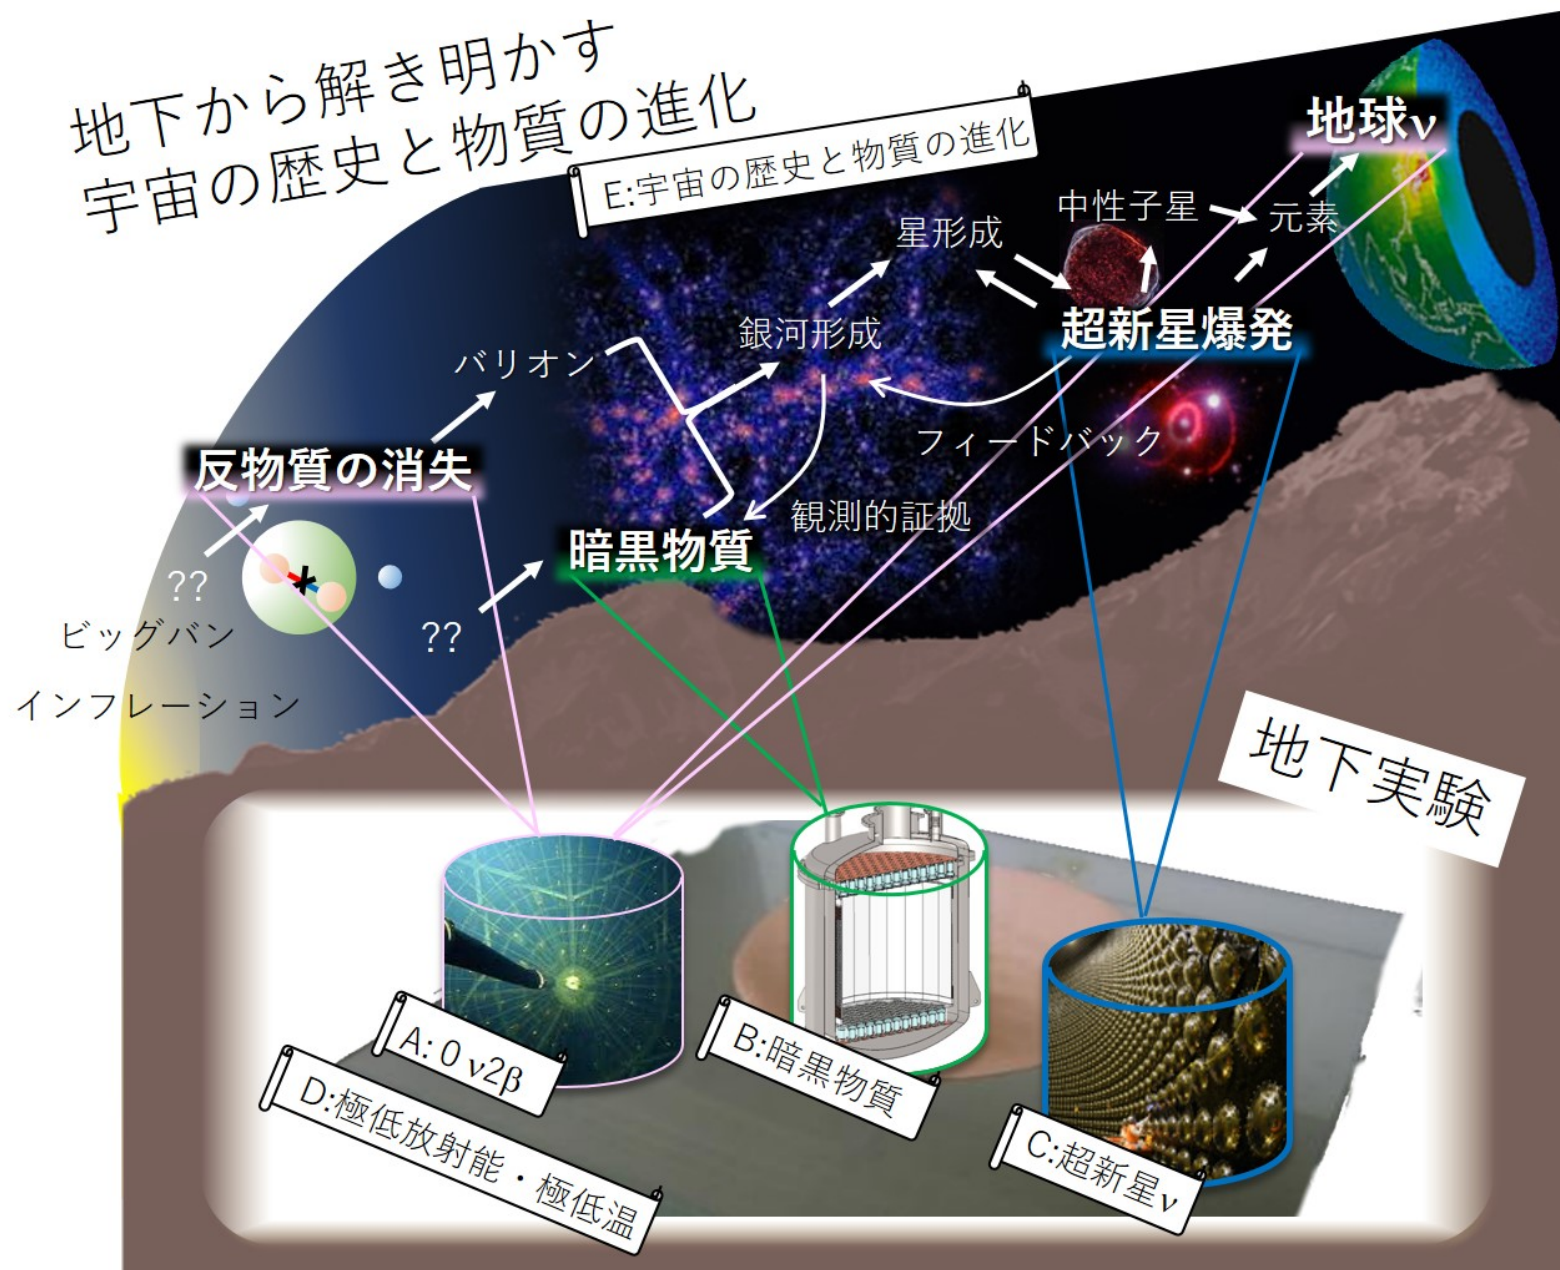

We are applying;

Grant-in-Aid for Scientific Research on Innovative Areas

“Unraveling the history of the universe and Matter Evolution with Underground Physics”

for the next 5 FYs.

A01 KamLAND-Zen
A02 CANDLES
B01 XENONnT
B02 DM direction
C01 SK-Gd
D01 low BG techniques
D02 low T techniques
E01 Particle cosmology
E02 SN modeling

including NME
DM distribution
nucleosynthesis
chemical evolution
geo-neutrino
